

**UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

DREW TECHNOLOGIES, INC.,

Plaintiff,

v.

Case No. 11-15068

ROBERT BOSCH, L.L.C.,

Defendant.

ORDER SETTING TELEPHONE CONFERENCE

On May 9, 2012, the court held a telephone conference with counsel for the parties. During the conference, counsel and the court discussed the best way to proceed in this case and the related patent-infringement suit, *Robert Bosch LLC v. Snap-On Inc.*, Case Number 12-11503. In accordance with counsel's representations during this conversation, the court expects that, in the coming days, counsel will reach an agreement to amend the pleadings in the patent-infringement suit, thereby allowing the parties to pursue their competing causes of action solely in that case.¹ Additionally, the court anticipates that counsel will prepare a proposed discovery plan and trial schedule that will conform to the court's practice guidelines for patent cases. Accordingly,

IT IS ORDERED that counsel for the parties shall participate in a telephone conference on **May 23, 2012, at 10:00 a.m.** The court will place the telephone call.

¹Once the pleadings are finalized, and following the upcoming telephone conference, the court anticipates denying as moot the pending motion to reopen this action.

Counsel should be prepared to discuss a proposed scheduling order and possible protective order.
